Ronni has used some weeks this summer to shoot a TV series called Rockeskolen! It is built on the same idea as the School of Rock concept that Gene Simmons hosted in the UK!

10 classical educated kids have been turned into rockers by Ronni during 5 weeks at Ronnis studio.

15th of September the first episode is aired at TV2 at 8 PM. Then the first episode is aired again on the 17th of September on TV2 Zebra at 09:30 PM - which will be the regular slot for the show.

For more information - and hopefully those of you not beeing able to see norwegian TV - the episodes can be watched here:
