## **Ronni's Guitar School on Web**

As stated in some papers here in Norway, there's a Ronni's Web Guitar School planned.

A web based guitar school, with pre recorded sessions, with guidance and interaction from the teacher. There might also be offered realtime/live instructions with chat.

The lessons will only be in english.

The team behind this offer/production are Ronni Le Tekro, Vardøger ([www.vardoeger.no](http://www.vardoeger.no)) with Tore André Ringvold and Tom Ege (the eagle eyed fan might recognise Mr. Ege as Ronni's partner in crime at 'Ronni Le Tekro & the Evil Elf Band - Under the Misteltoe' (2002 BeatHeaven Records). All songs written by Ronni Le Tekro and Tom E. Ege.), Gard Tekrø and Innovation Studios ([www.innovationstudios.no](http://www.innovationstudios.no)).
